

Do You Need to Hire Seasonal Staff?

Call RGIS and get the best staff in the business.

Benefits to You

Reduce Employee Costs

Hiring full-time staff generates many additional costs, including payroll taxes, benefits and insurance. Using RGIS, all staff are RGIS employees and all costs, concerns and headaches associated with this process are eliminated.

Reduce Dependence on Temporary Services

Under typical circumstances, a temporary staff has little stake in the consequences of poor performance. With RGIS Staffing Solutions all staff used by you will be RGIS full-time employees. They are highly motivated to meet RGIS' standards of excellence.

Extensive Coverage

Since RGIS' offices are within 30 miles of the retailers that account for 90% of all retail sales, staffing requirements can be easily fulfilled. Whether the need is planned or an emergency, RGIS stands ready to supply the appropriate staff for full coverage. Early morning, evening or overnight; RGIS can provide the staffing solution.

Consistent Staff and Local Support

RGIS will qualify and assign consistent staff. In other words, you can expect to see the same RGIS employees throughout the term of the assignment; eliminating the need for re-training. If changes are needed or concerns arise, an RGIS manager is available to ensure complete satisfaction.

Cost Reductions Through Accuracy and Efficiency

Accuracy and efficiency are the cornerstones of RGIS' offerings. Whether conducting an inventory, stocking shelves or picking merchandise, all RGIS employees remain focused on accurate and efficient work. You can expect assignments to be completed quickly and to your specifications.

Depend on RGIS and Make Your Holiday Seasons a Success.
